Earth Day BioBlitz

Look around, see what organisms you can find! Write the information below (feel free to use as many sheets as you need!) You can always add the organisms you find to iNaturalist or eBird.

Organism	Date and Time	Location	Description
Ex: Song Sparrow	4/19/2020, 4:30pm	Prospect Park, Brooklyn	Small sparrow with brown stripes on chest, it was sitting on the branches of a tree
