

Earth Day Resources

How do I find information about what I am looking at? If you don't have a field guide at home, check out some of the following resources!

Birds, Reptiles, Amphibians, Mammals, Plants, Fungi

iNaturalist <https://www.inaturalist.org/>

Birds

eBird <https://ebird.org/>

Audubon <https://www.audubon.org/>

Plants

Leafsnap App <http://leafsnap.com/>

iNaturalist and eBird are large citizen science projects that rely on data from you! Feel free to create a login and add some of the organisms that you saw while doing BioBingo.
